

WEYMOUTH
MUSEUM

VOLUNTEER PROGRAMME

APPLICATION FORM

Volunteers are the life blood of the museum. Without our dedicated team both front of house, in research and collection management, the museum would simply not exist. Our range of activities include public facing roles, such as greeting visitors and helping them enjoy and appreciate the artefacts and fascinating stories behind them, right through to managing the museum collections, conservation, local history research and general customer enquiries. Equally, we require volunteers with practical skills to help create exhibitions, mount displays and build storage to improve the care of the collection.

Volunteering commitments vary from a morning a week to one or 2 days a week especially for the Front of House team.

If you are interested in local history, enjoy meeting people and keen to help sustain the Museum, please complete this application form and return to the address at the bottom.
